STATEMENT FROM HIS EXCELLENCY THE GOVERNOR ON
SPEAKER BUSH

Like so many others in the community I was shocked to see social media and press reports concerning the conduct of Speaker Bush at a regional gathering of tourism Ministers and officials. These matters are currently the subject of a Police investigation. I will therefore not comment further about these allegations.

In the circumstances it is right that Mr Bush resign from his role as Speaker of Parliament as he has confirmed to the Premier and to the press. I had urged him to do so in private correspondence.

Inappropriate behaviour towards women should not be tolerated in any society. We all have a responsibility to call out this type of behaviour and support the victims.

Our elected representatives have a responsibility and duty to uphold the highest standards of conduct and behaviour expected of everyone in public life.
