

Is Mac working with you and China Harbour ?

I see he was in Belize trying to get them the airport contract

Or if you want it let me know. He was really cool with me and might tell me something privately as he k owe my involvement

Really? No he isn't! I should talk to him though because he and I are like "cuz". I'm obviously working with CHEC here and in Cuba. I have the best contact with them of course. I wonder who he is dealing with(?). Dr Hu and I have a great relationship. She is the VP of CHEC and
