## Insertion of regulations 141A to 141C - port anchorage areas in George Town and Cayman Brac; prohibited activities in a port anchorage area, designation of port control zones

4. The principal Regulations are amended by inserting after regulation 141 the following regulations —

### “Port anchorage areas in George Town and Cayman Brac

**141A.**(1) The master of a vessel shall, when in a designated port anchorage area, port control zone, the port limits or territorial waters, comply with and ensure that the vessel is operated in such a manner that its operation is in accordance with —

- (a) the Act and these Regulations; and
- (b) the directions of the Port Director or the Port Director’s designees concerning —
  - (i) navigation;
  - (ii) berthing; and
  - (iii) compliance with the Act and these Regulations.

- (2) In this regulation the designees of the Port Director include Port Security and Harbour Patrol.

### Prohibited activities in a port anchorage area

**141B.**(1) A person shall not —

- (a) take a specimen of any species;
- (b) enter into the water;
- (c) damage, destroy or otherwise cause the loss of a natural resource, except in the normal course of anchoring or mooring a vessel;
- (d) deposit or discharge rubbish, litter, effluent or waste of any kind; or
- (e) dredge, quarry, extract sand or gravel, discharge waste or any other matter or in any other way disturbs, alters or destroys the natural environment,

in a port anchorage area, without the permission of the Director.

- (2) In this regulation —

“**species**” means any species or subspecies of plant or animal or any geographically or genetically separate population thereof;

“**specimen**” means an animal or plant, whether live or dead, or any part or derivative thereof and includes, in the case of an animal, an

egg, sperm, gamete or nest and, in the case of a plant, a seed or spore; and
