Premier Designate, G. Wayne Panton, also offered his gratitude to the outgoing administration and former legislators saying:

“I want to thank Premier Mclaughlin and his team for their service to our islands as public service is still a noble calling. I also want to use this opportunity to thank the other Parliamentarians who also served our islands over the past 4 years but were unsuccessful at the polls. In their contributions, they have left their fingerprints on the development of our islands.”

Premier Designate, G. Wayne Panton, also offered his gratitude to long-time Member of Parliament, Anthony S. Eden and concluded by saying:

“My team wants me to recognize the contributions of Mr. Tony as a legislator for almost 3 decades. His unbroken service to the People of Bodden Town, Savannah, and Newlands is testament to his commitment to public service and I wish him well in his retirement. I want to thank his family for sharing some of the best years of his life with us and we are forever in their debt.”
