Statement from Premier Hon. Wayne Panton on the Arrest of Senior Politician

Grand Cayman – Thursday, 29 June 2023

Yesterday's news of the charges against Hon. McKeeva Bush, independent Member of Parliament for West Bay West, has no doubt been met with deep concern across our community.

"These charges are serious. Given the sensitive nature of the same, the rights of the parties involved and the fact that the matter should now be regarded as sub judice, it is inappropriate for me to comment further other than to say that I believe in the integrity of our judicial system and this is now a matter for the courts to address," said Premier Hon. Wayne Panton.

Any further statements will be made as deemed appropriate.
